NEWSLETTER

Dear Parents and Guardians,

February brings us the first signs of spring. Here at St. Cronan's we are really looking forward to the days getting a little longer. The classes are busy creating beautiful spring art. It is also the beginning of Chinese New Year. This year is the year of the tiger. Happy New Year to all our families celebrating at this time of the year! It is great to see society opening up after 2 long years of Covid-19 restrictions. Schools are still required to adhere to all of our original restrictions. The Department of Education will issue new guidance on the 28th February and we will communicate with you about changes as soon as possible. A big thank you to all of you who have worked with us through the last 2 years - hopefully brighter days are coming for our wonderful children!

Best Wishes

Edel Blake
